

Respirator Nose Clips

Figure 1. Out-of-box Nose clip from cup-shaped respirator

Figure 2. Out-of-box Nose clip from folded respirator

Figure 3. Nose clip after fitting/adjusting it to my face (note my big nose!)

Figure 4. Suggested "starting point" for the nose clip for folks with "flatter" faces. Next would be fitting/adjusting it to the face once the respirator is put on.
