"With GHDonline, the opportunity starts now! If I start an initiative in Pakistan in which I want a wider community of people who understand global health to join in, it would just make sense for me to go on GHDonline." [Lubna Samad, Pediatric Surgeon, Indus Hospital, Pakistan, GHE Program alum, July 2009](#)

"We as architects are happy to listen in and get an insight on the subject matter and be able to relate with our area of expertise. Again, thanks to your discussions we are able to understand the seriousness of the issues." [Gobe Gaotlolwe, Architect, Ministry of Health, Botswana, October 2008](#)
