Welcome to New Orleans!

We are so excited to welcome you. Whether this is your first or one hundredth time to visit, New Orleans is an amazing place! The Conference location is the Hotel Monteleone situated in the French Quarter. This is an historic area filled with great restaurants, beautiful attractions, and plenty of entertainment. Trolley cars, the Mississippi River, steamboats, and delectable treats await you. Relax, soak up the atmosphere, and enjoy.

In addition to our wonderful speakers, we have also provided opportunities for you to experience the rich culture with New Orleans. Hotel Monteleone is located in the French Quarter and we have designated individuals who will walk with you to lunch at some of New Orleans’ finest restaurants.

During your stay at the Hotel Monteleone, visit the famous Carousel Bar and Lounge in the hotel lobby and enjoy the slow turn of the bar as it revolves around. Look outside and peer into the heart of the French Quarter. Royal Street is an antique shoppers dream. The Carousel Bar is open every day from 11 am until you are ready for sleep! Light food is served at the bar.

Walk on down to Café Du Monde-the original French Market Coffee Café that was opened in 1862. Don’t worry, it only closes on Christmas Day, so enjoy the café day and night. Order your coffee black or Au Lait-this is half coffee and half hot milk. Beignets are amazing square donuts covered in powdered sugar. You will be disappointed with yourself if you don't make this important cultural stop!

For your pleasure, we have assembled a committee of helpers to answer your questions about the city and to provide tours. Feel free to ask anyone on the planning committee questions. The special tour committee consists of Warren Hebert, Alice Younce, Bridget Moore, Kathy Bydalek, Misty Guy, and Jennie Gunn. Look for any of us at the conference for assistance with planning.

Upon arrival to the hotel, Warren Herbert and a few others will located around the registration tables at the hotel to assist you upon your arrival with tour ideas. Here is the schedule of events:
